Wilkinson Match — Patent List

Attached you will find a list of patents, which were sent to me by Dr. Ron James of Wilkinson Match. As you recall, Howard Kothe and Art Palmer had asked for this list some time ago.

In our draft agreement Schedule A and Schedule B are to be appended; however, the attached list is not broken out in that format.

By copy of this memo, I am sending a list to Carl Adkins, Art Palmer, and Howard Kothe.
